

Freedom of Information Request FOI 23 141

Current fleet list and current vehicles that are in build

Query:

Please can I request a current Dorset & Wiltshire Fire and Rescue Service fleet list and update on any current vehicles that are in build and dates when these are expected to be in service and proposed station locations

Response:

Please see the table below for a list of current vehicles that are in build and the expected dates they will be in service.

Vehicle Type	Quantity	Expected Delivery	Planned Locations
Super Pumping Appliances	5	End of Q3 2023/24	We are unable to provide final locations at this time, as the intention is to strategically locate them across the service area to meet our operational requirements which is still to be confirmed.
Water Carriers	4	End of Q4 2023/24	
Incident Command Units	3	End of Q4 2023/24	
Station Van - EV	1	End of Q3 2023/24	
Flexi Duty Officer Cars	6	End of Q4 2023/24	

Under the terms of the Act, a request for information can be refused where one or more exemptions listed in the Act apply. In this case we are claiming the following exemptions to the fleet list that you have requested:

“Information accessible by other means” in Section 21 of the Act. The fleet list you requested can be found using the following link:

<https://www.dwfire.org.uk/wp-content/uploads/2023/07/Fleet-List-Q2-2023.xlsx>

Information/Detail accurate on the date provided: 16, October 2023
