Statistics around fires in cannabis factories

Query:

I am requesting the data for the following calendar years, 2019-2024 (until latest available date in 2024):

Q1: How many fires were recorded at suspected or confirmed cannabis factories in your authority, in each year?

Q2: If any, how many fatalities were recorded at each incident?

Response:

Our incident recording system does not have a recording category for the term cannabis however a search has been carried out using "cannabis". The table below includes any fires where the growing of Cannabis was mentioned.

Year	Number	Fatalities
2019	1	0
2020	1	0
2021	3	0
2022	2	0
2023	2	0
2024 (to 13 th June 2024)	0	0

Information/Detail accurate on the date provided: 19, June 2024
