

Freedom of Information Request FOI 24 73

Our estate, site plans and fire risk assessments

Query and response:

1. When did you last undertake a condition survey of your estate?

Last conducted by external consultants in 2019/20. Sites are reviewed annually as part of our BAU activities.

2. Do you carry out fire risk assessments internally or via an external service provider?

Internally, in accordance with PAS 79 Fire Risk Assessment Standards

3. Are your estate site plans current and accurate?

Yes

4. Do your estate site plans detail fire compartmentation lines?

Yes

5. Do you retain an up-to-date list of maintainable M&E assets?

Yes

Information/Detail accurate on the date provided: 24, June 2024
