Overtime Payments for individual women firefighters working group for the last 2 years

Query:

Please can I have all the information of the individual overtime payments for each of the woman on the woman's firefighters working group. Only the payments relating to meetings and other activities for the woman's firer fighter working group. a year end total for the last 2 years.

Not overtime for operational shifts.

Response:

We are applying the exemption afforded by section 40(2) of the Freedom of Information Act 2000, which provides that a request for information is exempt from disclosure if the information requested constitutes personal data about a third party. In particular we choose to rely upon section 40(3A), which provides an absolute exemption if disclosure of the personal data would contravene any of the data protection principles as defined in the Data Protection Act 2018. We are of the opinion that to share each of the women's individual overtime payments on the Woman's Firefighter Working Group would be unfair and contrary to the first data protection principle.

However, I can advise that for the period requested 92.25 hours were claimed at a cost of £1496.94
