Fire Safety Request Report

Query and Response:

Section 21 – Information accessible by other means

Investigation reports can be requested via our

website: <https://www.dwfire.org.uk/contact-us/?formid=8#linked>

Please note that there is normally a charge of £90 + VAT for each investigation report (property owners aren't charged). Ordinarily, reports are issued only to those who can demonstrate a legitimate interest in the incident. Ownership, residency, or insurable interest would be examples of legitimate entitlement. Reports may be disclosed to other parties who cannot prove their entitlement if such release of would be in the public interest, or with appropriate redactions.
